

CASEY K. MCNAIR, GODCLASS Ministry

Overseer

Casey McNair is a faithful follower of Christ who gave her life to the Lord at the ripe age of 17. Once saved Casey developed a strong passion for the Lord and a burning desire to serve His people.

Within the next two years of her life, Casey would begin her official work for the Lord as an Alter Ministry Leader for World Changers Church International. As Alter Ministry Leader Casey would go on to oversee salvation, rededication, and prayer for the middle school, high school, and mass congregational services.

In 2005, Casey began assisting her mother-in-law, the late Baker McNair, with her Atlanta-based outreach ministry, Lift Up Jesus Crusades and Eagle Mount Ministries. The international ministry has assisted thousands of souls both domestically and abroad.

In 2014, Casey and her husband J.R. McNair joined the international ministry team of Prayer In Action Ministries Intl, under the leadership of Apostle of Prayer, Viola S. Walker, where they serve as National Youth Ministers. In that same year, Casey founded Godclass, Inc., a women's ministry which focuses on encouraging women to grow in Christ and applying the Word of God to their everyday lives. As of 2018, her organization established Godclass Youth: a girl's ministry for ages 13-17 focused on developing young ladies into the woman God created them to be. Their first youth development cohort commenced on June 2 at the Hilton Atlanta Airport.

Casey is a native of Atlanta, GA. She has been married for 12 years to her best friend and husband, J.R. McNair. Casey and her husband have six children whom she homeschools: William, Christian, twins: Elijah and Lemuel, Julia Rose, and Luke.
