

David Eric Kane Biblical Milestone Journey

Don't Shoot I'm Already Wounded. Set free from the old life and graciously accepting a new life in Christ Jesus. Predestined before entering my Mother's womb. After the rededication of my life returning back into the precious hands of my Lord and Personal Savior Jesus Christ May of 1993, those soft-spoken words ringing down in my spirit "Why Not Serve Me" what a epiphany moment, God's divine manifestation brought tears of Joy running down my face and a new heart down into my soul. Forgetting the old life and freely accepting the new life in Christ Jesus. My first encounter accepting Jesus Christ as my Lord and personal savior and being baptized at a very young age was very difficult to understand whom I was in Christ Jesus. Throughout the years of my life I've traveled on the wrong side of life but instantly everything had changed like a twinkling of the eye. May of 1993 God had a plan for my new life.

Returning back into the harvest at Grace Community U.M.C in the City of Chester at times it seems that I never left the flock. The Church welcoming me back with loving open arms "My, my God's Grace" after one year of my stay the Church employed me as the Church sexton a full-time position forty hour work week which entailed a great deal of responsibilities such as cleaning and disinfecting the building on a regular daily basis. While proudly performing my daily duties how many of you know that I was not alone, yes one day in the Church sanctuary with no one physically present I clearly heard the Spirit of the Lord in that quietness atmosphere I only could smell the aroma of Pine-Sol cleaning disinfectant, He spoken these words to me saying preach my Word proclaim the Good News to everyone. After three very long years serving in the capacity of the Church section, I was strongly led by the Holy Spirit called into the Ministry "Who Knew" but God Himself. Yes, predestined to become God's servant and to be a witness of Christ Jesus.

After fasting and praying for several weeks I spoke with my former Pastor the Reverend Herbert W. Coe, of the United Methodist Church in the City of Chester, concerning my calling. Rev. Coe and myself after seeking God in prayer touching and agreeing with one another confirmation was given to Reverend Coe by the Holy Spirit, so from that moment going forward protocol was established. I stood before Church Administration Council and I was affirmed. I was placed on the standing list to appear before our next schedule Charge Conference Administration Council to accept the Church recommendation and to affirm their findings recommending me to be sent to the next available Laity training session to become a Certified Christ Servant. While awaiting to attend Laity training academy I took the Gospel of Jesus Christ out to the streets, witnessing for the Lord. The outreach ministry consisted of weekly street corner witnessing proclaiming the Good News of Jesus Christ.

The ministry was combined with other outreach ministries in the Delaware Valley of Pennsylvania.
